SUMMER INTENSIVE: REQUIRED EVENT

This event is an opportunity for our INTENT trainees to implement and showcase all the training they have worked on throughout the season both in artistry and leadership. Our trainees are the face of INTENT and they play a key role in creating the culture of this intensive. They will have leadership and performance opportunities throughout the weekend.

This event is exclusive to our INTENT trainees. It includes one full day of leadership development and classes. That evening we will celebrate the dancers artistry with a showcase and live feedback from guest artists. This event is always a highlight our trainees season!
