### SUMMER INTENSIVE: REQUIRED EVENT

This event is an opportunity for our Pro Level trainees to get first hand experience on what it looks like behind the scenes of a dance industry event. They will have the opportunity to network, train, and put into practice some of the knowledge they have gained throughout the year.

### WINTER INTENSIVE: REQUIRED EVENT

This event is exclusive to our INTENT trainees. It includes one full day of leadership development and classes. That evening we will celebrate the dancers artistry with a showcase and live feedback from guest artists. This event is always a highlight our trainees season!
